entire nation as Roosevelt memorial day, has for its purpose the establishment of a permanent memorial to the former president and great American. Although memorial services were held in the city before the national movement took shape, a program has been arranged and will be given at the mass meetingeat the high school this afternoon. The chief features of the pro-

gram will be an address by Carl C Mager, whose subject will be "Roosevelt the American," and an address by Frank Frank, a former rough rider and territorial governor of Oklahoma.

Following the program, the meeting will be called to order by the chairman, Judge Raiph E. Campbell, in pursuance to a resolution passed at the meeting in ting memorial

Rosevelt memorial.

Judge Campbell said yesterday
that he hoped everybody in the
city who fell an interest in the
movement would attend the meeting at the high school auditorium
this freezem is

this afternoon. He said that if a memorial was to be established that would be a credit to the memory of the great American and the city of Julsa I would require the unqualified assistance of every interested person in the

etty.
He said any plans worked out at the meeting today could at most be only tentative, as it would require considerable thought to develop a tangible plan for a fitNation Honors His Memory Today

This is Roosevelt memorial day and throughout the nation and in many other parts of the world honor will be done the memory of Theodore Roosevelt, former president, statesman, hunter, naturalist, author historian and America's foremost citizen while he lived.

Vegle was shot once through the neck, which according to the coroner, was broken. No examining trial has been held and the coroner refused to render a verdict ontil after the trial.

Number of Troops Missing in Action Reduced to 7,783

WASHINGTON Feb. 8.—Last week's casualty report showing more than 10,000 of the exprditionary force missing in action has been corrected to make the total 7.783. General March said today General Pershing had re-ported the new total with the in-fernation that the figures were being reduced by from 100 to 200 names per day as a result of the checking of the records in the cen-

checking of the resords in the cen-tral records office in France.

At the same time deneral Per-shing gave the war department new totals of ensuables in the first and second divisions, the marine brigate in the latter being in-cluded. The first division had a total of killed, died of wounds, mission and prisoners of 5.248. The second division total was 5.780. second division total was 5,250.
